

CURRICULUM VITAE

I. PERSONAL INFORMATION

Maureen Ellen Lyon, Ph.D., ABPP
Licensed Clinical Psychologist
Diplomate in Health Psychology
American Board of Professional Psychology
Burgess Clinic, Adolescent & Young Adult Medicine
Children's National Medical Center
Associate Research Professor in Pediatrics
The George Washington University School of Medicine

A. DATE OF BIRTH: 02/02/50

B. EDUCATION:

1991 Ph.D., Clinical Psychology (APA-Approved)
The American University, Washington, D.C.

1987 M.A., Psychology
The American University, Washington, D.C.

1983 Extended study, Psychology, 30 credit hours
George Mason University, Fairfax, VA

1974 M.A., History
Northeastern University, Boston, MA

1972 B.A., History
Northeastern University, Boston, MA

C. TRAINING:

1989-1990 Psychology Intern, Forensic Services
Saint Elizabeths Hospital, Washington, D.C.

9/88-6/89 Psychology Extern
Department of Adolescent & Young Adult Medicine
Children's National Medical Center
Washington, D.C.

9/87-6/88 Psychology Extern
The Catholic University Counseling Center
Washington, D.C.

9/86-5/87 Psychology Extern
Georgetown University Counseling Center
Washington, D.C.

9/86-6/87 Practicum Student

The American University
Washington, D.C.

Summer 1984 Child Life Intern
Burn Unit
Children's National Medical Center
Washington, D.C.

D. LICENSES:

LICENSE # 1731 in District of Columbia. Date issued: 12/01/94.
LICENSE # 1852 in Commonwealth of Virginia. Date issued: 02/21/92.

E. AWARDS & CERTIFICATIONS:

Dissertation Fellowship, 1988
The American University, Washington, D.C.

Departmental Honors Award, Psychology Department, 1985-1986, 1986-1987 & 1987-1988
The American University

History Fellowship, 1974-1976
Northeastern University

Certified Yoga Instructor, July 2, 2004

F. HONORS:

American Psychological Association (APA) -
Trainer of Psychologists - Project HOPE: Medical,
Psychological & Social Aspects of HIV Disease;
Pediatrics, Psychology and HIV Disease
Adolescents - HIV/AIDS, 1993;
Ethical Issues and HIV AIDS, 2004.

Children's Hospital National Medical Center volunteer, 1980-1985. Research Assistant to
Dr. Joseph Noshpitz on Tom-boy Study
Child Life placement on Burn Unit
Repeat CNMC volunteer 1980-1985
Burn Unit and Child Life Summer Intern

Haven of Northern Virginia, Director of Clinical Training (part of hospice movement),
1977-1980

Parker-Hill-Fenway APA C, Mission Hill Housing Project, Reading Tutor, 1968-1972

Boston City Hospital volunteer, Summer 1966 and Summer 1967
Blood Donation - quarterly

II. SCHOLARSHIP AND RESEARCH

A. GRANTS AWARDED OR PENDING/SUBMITTED

- 2005 Family Centered-Advance Care Planning
 National Institutes of Health/National Institutes of Mental Health
 1 R34 MH072541-01A1
 Dates of Award: 9/05-08/08
 Principal Investigator (50% effort)
 Yearly Direct Costs of Award: \$150,000
- 2005 Cognitive, Behavioral, and Psychosocial Correlates of Medication
 Adherence in Children and Adolescents with HIV-1 Infection.
 National Institutes of Health/NICHHD
 N01-HD-3-3345 ACTG P1042S
 Psychologist (10% effort)
- 2000-2005 Interventional approaches to improving adherence in HIV infected
 adolescents
 Department of Health and Human Services, Centers for Disease
 Control and Prevention,
 U64/Ccu303310-13.
 Co-Investigator (12% effort)
 Yearly Direct Costs of Award: \$300,000
- 2002 Funding for two parents and two teens to participate in workshop
 Board of Lady Visitors
 Yearly Direct Costs of Award: \$1,686
- 2000 Intervention for high-risk preteen boys
 Boys Club
 Program Director (5% effort)
 Yearly Direct Costs of Award: \$25,000
- 2000 Timex Iron Man Watches - Tool to increase adherence with medication
 Board of Lady Visitors
 Program Director, Medication Adherence/HAART Group (30% effort)
 Yearly Direct Costs of Award: \$1,875
- 1999 Depression/Adolescents
 Henry Foundation
 Clinical Psychologist (50% effort)
 Yearly Direct Costs of Award: \$2,500

1999	Morale Grant Washington AIDS Partnership Project Administrator (12% effort) Yearly Direct Costs of Award: \$24,000
1998	Transitions Program Washington AIDS Partnership Program Director (15% effort) Yearly Direct Costs of Award: \$29,923
1997	Medication Adherence with Clients with HIV (HAART Group) Washington AIDS Partnership Program Director (30% effort) Yearly Direct Costs of Award: \$43,900
1995	Psychiatric risk factors in HIV seropositive adolescents National Institute of Mental Health. 1R02 MH55060-01 Co-Investigator (10% effort). Yearly Direct Costs of Award: \$39,166
1995	Life Force IV Child Health Center Board Program Director (20% effort) Yearly Direct Costs of Award: \$7,000
1994	Parenting Group for HIV+ Mothers Child Health Center Board Program Director (10% effort) Yearly Direct Costs of Award: \$6,000
1993-94	Life Force II & Life Force III Glen Eagles Foundation/Washington AIDS Partnership Program Director (20% effort) Yearly Direct Costs of Award: \$30,000
1993	Life Force I Washington AIDS Partnership Program Director (30% effort) Yearly Direct Costs of Award: \$15,000
1992-93	Emergency Assistance Pediatric AIDS Foundation Clinical Psychologist Yearly Direct Costs of Award: \$6,000

- 1992 Award for Psychological Testing Equipment
Board of Lady Visitors
Clinical Psychologist (50% effort)
Yearly Direct Costs of Award: \$800
- 1989 A Multidimensional Model of Anorexia Nervosa
Board of Lady Visitors
Principal Investigator (30% effort)
Yearly Direct Costs of Award: approximately \$7,000

J. CONFERENCES & PROGRAMS DESIGNED & DEVELOPED

1. **Lyon, M.** 1998-2000 The Transitions Program - an integrated and individualized group and community based intervention to assist chronically ill young adults to make the transition from Children's National Medical Center to adult health care facilities. As part of this effort, a regional conference for professionals and consumers was held at CNMC.
2. **Lyon, M.** 1997-2000. The HARRT Group - a 12-week intervention to increase adherence with medication of HIV-positive adolescents. The group was a family-based approach. Disclosure of HIV status was required. Three groups were successfully implemented and evaluated. Based in part on the success of this group, we received funding from CDC for a large multi-site study.
3. **Lyon, M.** 1999. Morale Retreat - a two-day retreat for all hospital staff working with HIV positive patients in collaboration with the St. Francis Center.
4. **Lyon, M.** 1993-1995 The Life Force Group - a 30-week intervention designed to decrease high risk behaviors for at risk and HIV-positive youth. The group emphasized job skills and life skills. Disclosure of HIV status was not required. Four groups successfully implemented and evaluated.
5. **Lyon, M.** (August 25, 1998 - Philadelphia, PA) (August 18, 1998 - Washington, DC) (July 21, 1998 - Chicago, IL) (June 30, 1998 - New York, NY) (June 16, 1998 - Columbus, OH). Individual Psychotherapy with Chronically Ill Clients and Their Families. American Health Care Institute.
